WELCOME!

WELCOME BACK TO THE 15TH ANNUAL HEARTS WITH A MISSION BENEFIT AUCTION

We are extremely thankful to be gathering in-person this year for our 15th annual Hearts With A Mission (HWAM) benefit auction. So much has transpired over our two-year, virtual hiatus, so let's make sure to make the most of tonight and connect with old friends, make new friends, and learn more about what makes HWAM special and unique.

HWAM originated in 2007 with the forming of a non-profit organization who would provide emergency shelter for youth (10-17) years of age in Jackson County. While we continue to provide that service, it amazes me how far we have come in such a short amount of time, as we are currently providing services in Jackson, Josephine, Klamath, & Lincoln counties.

At HWAM, each youth & their families are uniquely loved and supported. YOU are truly our greatest asset today and tomorrow as we could not accomplish what we do without your support. We are excited to share some of our youth's success stories tonight as it is a way to reflect on how we can impact youth at a local level through supportive services, open hearts, and kindness.

There are many unique stories that have not only impacted our youth, but will forever leave an imprint on our community and staff who give of themselves each day. Not every story may appear as a success, but I do know we are making a significant impact to those we serve.

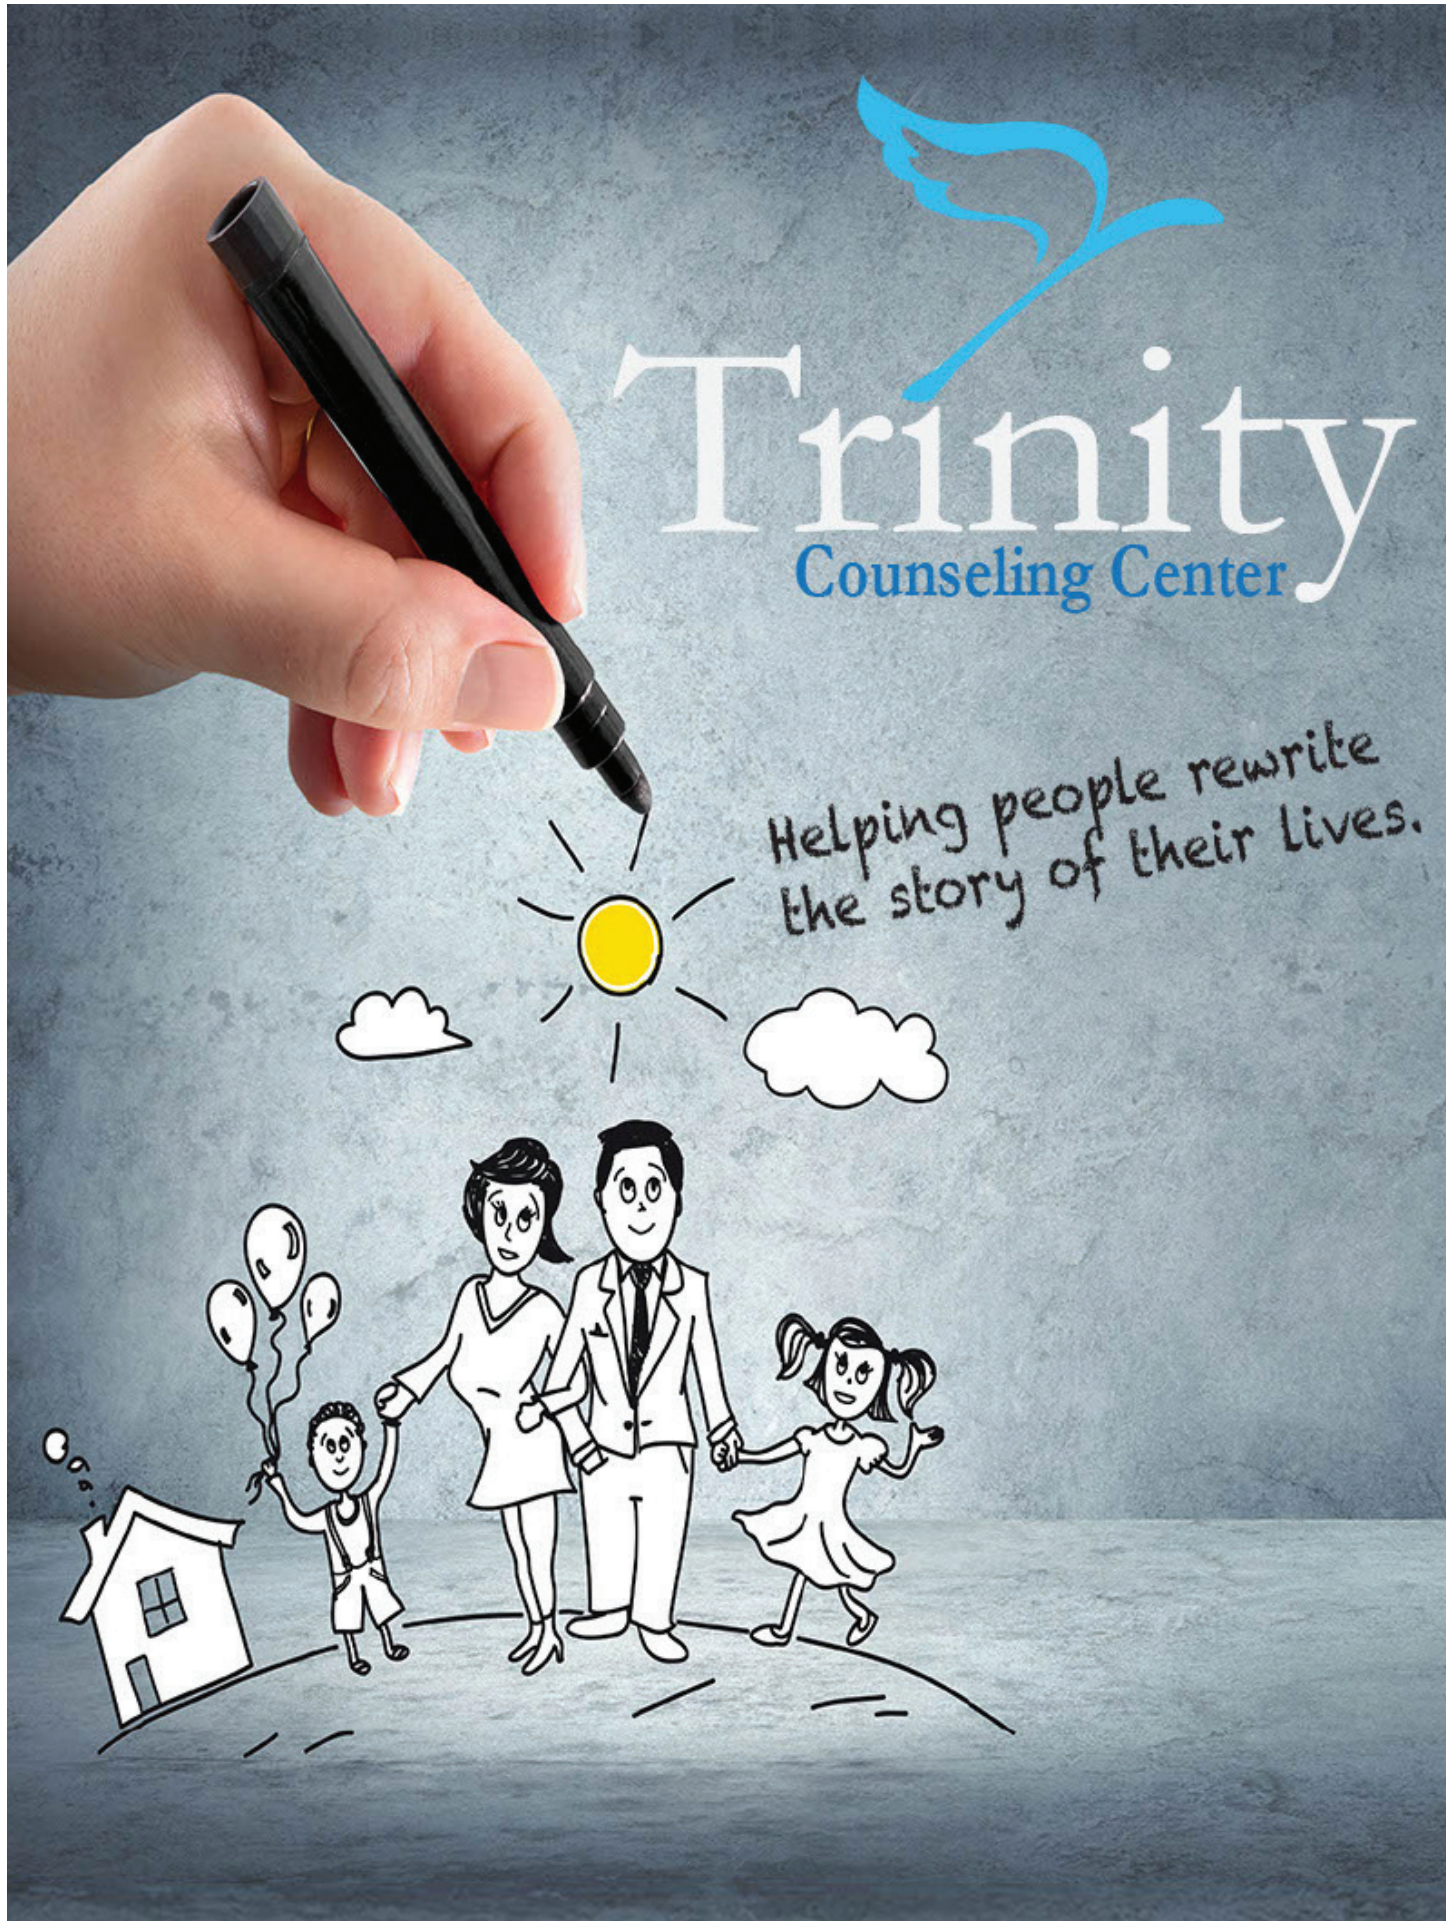

I appreciate each of you for taking the time to come join us this evening and it is my hope that your heart is touched in the same way mine was just 15 years ago. May God richly bless you for giving of your time and treasures this evening.

Together with you,

Kevin Jamson

Each year, Hearts With A Missions honors a specific individual or organization as our GUARDIAN ANGEL. This person or organization has contributed something extraordinary that has touched our youth and organization as a whole. Oftentimes these acts of kindness are done anonymously as the guardian angel does not desire any recognition for the gifts they are giving. This annual award allows Hearts With A Mission the opportunity to share the joy and blessings these gifts have brought for those who have gone above and beyond.

Thank you for your dedication and commitment to serving at-risk youth and families who are in need!

We like to honor and recognize specific individuals or organizations as **GUARDIAN ANGELS** whose contributions have been extremely impactful for kids served by Hearts With A Mission.

“A Guardian Angel is a person who not just thinks about helping others, but does something. We may not know who they are, but we are forever thankful for what they do for us.”

As a Guardian Angel, you have been an overseer of the homeless youth in our community. You have truly given hope to the hopeless. Thank you for what you've done to help the at-risk youth in our community.

SAFE - SEEN - SOOTHED - SECURE

Safe Families for Children

For many youth and families the notion of a healthy relationship is of great mystery. They have not had any models of positive, loving relationships. As with many challenges we experience, the answer to this is surprisingly simple. The 4-S's of healthy attachment are Safe, Seen, Soothed and Secure. The 4-S's can easily be used to help young adults and families create healthy bonds with not only each other, but other important relationships.

SAFE We all need to be not only physically but emotionally safe. This does not mean that we never get hurt, but that we have a safe place to heal our broken hearts.

SEEN We all have an internal need to feel seen; God created us this way. To feel seen ultimately means to feel understood. Truly seeing another human means we see their emotions- the positive and the negative- and strive to understand.

SOOTHED Soothed is knowing how to cope when life gets difficult and showing others that you will be there to walk with them.

SECURED When a person knows that they can count on you time and time again- she will trust you in a feeling of secure attachment and Thrive!

ALL I NEED

Print by Joezie Mitchell

This year Joezie has continued to create her art in digital form. The past six years she has created a piece just for the HWAM auction.

When deciding on what piece she would draw for this year's auction, she decided to focus on how she was struggling with recent health issues. She has found herself seeking Jesus and wanting to be in His embrace, because that is where she finds her hope and grateful joy. Joezie drew herself hugging Jesus, as He is all she needs.

She has enjoyed using her talent to help HWAM. Joezie and her family continue to be touched by the generous donors who have purchased her pieces in past auctions, which allows love and hope to be shared with our youth. Joezie is now 16 years old.

Title: All I Need **Medium:** Digital.

It is numbered 1/10 and signed by artist.

The picture will come with a certificate of authenticity.

WWF – WINE, WHISKEY AND FISHING

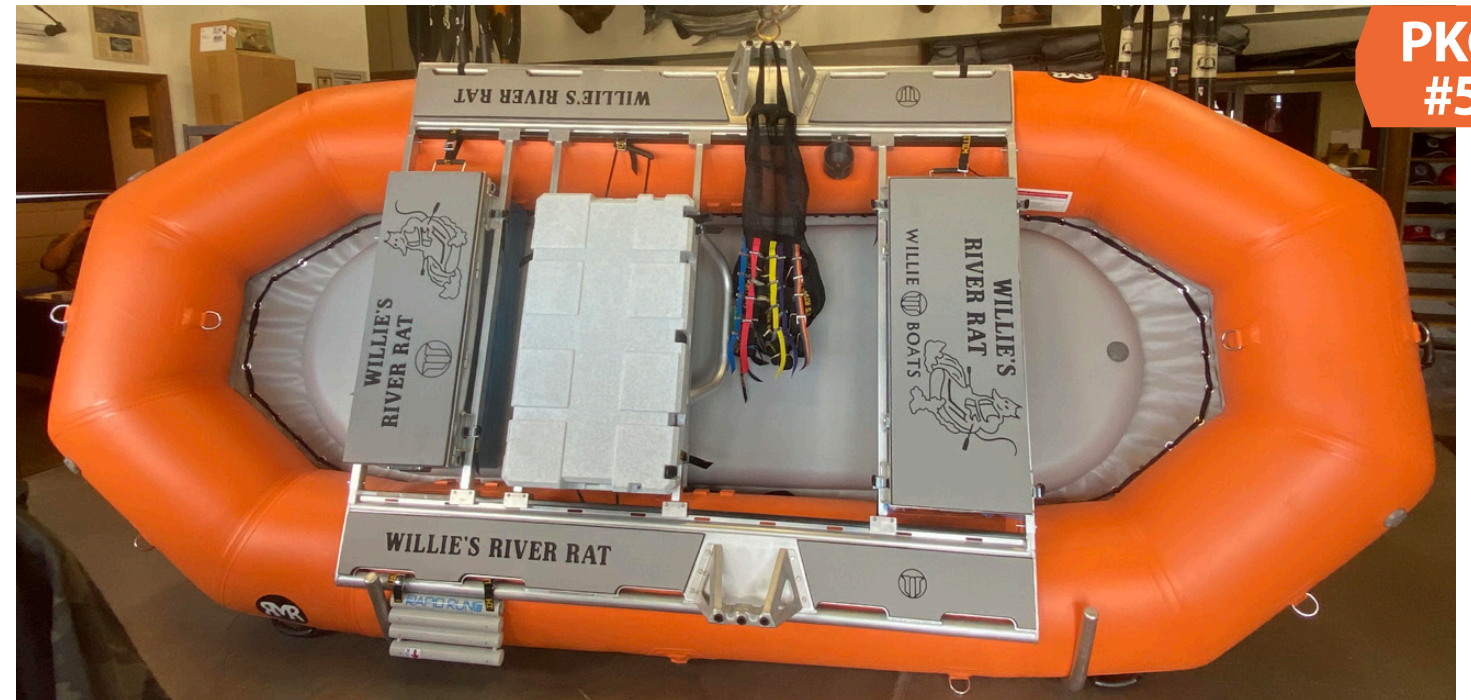

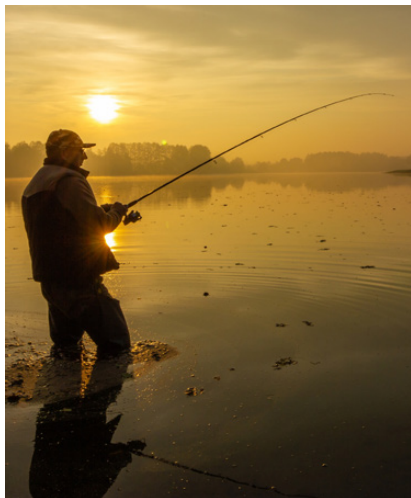

2-day Fishing trip on the Willamette River + Lodging at Archery Summit

The spring Chinook salmon, or “springers” as referred to by the fisherman that targets them are one of the most sought-after sport fish in the Pacific Northwest. The challenge can be real, but the reward of capturing one of these fish is more than worth it. The table fare they provide is second to none in the salmon world due to the extremely high fat and oil content. In other words, Salmon crossed with bacon.

We combine our “Springer” trips with the opportunity to chase white sturgeon. The Portland area is a target-rich environment for these river Monsters. Typical days include sore arms and big smiles. Two days of pulling in monster fish aren’t complete without perfectly paired whiskies to enjoy while you hook fish and create new core memories with you and three guests.

After fighting the river monster, you and your guests experience a two-night stay at Archery Summits – Red Hills Guest house. This home away from home, nestled in the heart of the Dundee Hills, is centrally located in wineries and charming restaurants and shops. The alluring property—featuring raised ceilings, thoughtful furnishings, an inviting fireplace, and a spacious kitchen and outdoor deck—is situated amid scenic rows of estate vines and overlooks the picturesque contours of the Dundee Hills, as well as views of Mt. Hood and Mt. Jefferson. The idyllic setting and enticing decor make the Red Hills Guest House your well-appointed home base for this wine and fishing country exploration. Additional amenities include a carport, a wine fridge, a jetted tub, and wireless Internet access.

Thank You Zach Hancock - Hancock Outfitters,
Jacob Colmenero – HUB International, and Archery Summit winery.
