*"I am very impressed with this program. It gave my son a place to go and think about his life, and talk with "neutral people" about things instead of only hearing his parents' point of view.*

*He was able to be around others who could relate with him and how he was feeling. He learned how to be more empathetic to others and what they're struggling with."*

## ABOUT HEARTS WITH A MISSION

Hearts With A Mission provides a safe and nurturing environment for youth to stabilize, stay in school, resolve conflict, learn new self-management skills, and connect with safe adults. Youth receive guidance and support while developing an exit plan through individual case management. Walk-ins, drop-offs, and referrals are all assessed and screened to identify needs, eligibility, and appropriateness. All youth entering the shelter are cleared by local law enforcement. Our ultimate goal is family reunification or a safe alternative.

## STORIES MATTER

- “HWAM helped me realize the value in myself as a person.”
- “HWAM gave me a safe place to stay off the streets.”
- “HWAM helped me transition back home and achieve my goals.”
- “HWAM helped me learn how to make good choices and be more productive with my time.”

*“HWAM helped our family keep our focus as well as going forward with family goals – work, housing, day care, school. The whole homeless experience could have been horrifying. This was, in many ways, uplifting. Thank you for the all-encompassing help that gave us the opportunity to keep our family together.”*
