

## Hearts for Seniors Inquiry Form

Our services are to support independence by assisting isolated seniors, ages 65+ with their companion care needs in the comfort of their own home. We are a volunteer-driven program. Qualifying seniors are one's who live independently in their own home void of major cognitive, mental health or physical concerns. If currently living in an assisted living facility or retirement community, our services do not apply at this time. Please keep in mind that we are not licensed medical or mental health professionals when making referrals.
